

**2010 Central Wyoming Fair & Rodeo
Parade Guidelines**

The Central Wyoming Fair and Rodeo will begin at 10:00 A.M. on Tuesday, July 13, 2010, downtown Casper. The Parade Committee designed the following guidelines to promote a parade that is fun, safe and entertaining for everyone.

1. This year's theme is **"TRAILS WEST"**
2. Floats should arrive at their designated positions (see enclosure) by 9 A.M.
3. Follow the designated parade route (enclosed).
4. Parade participants should attend their entries at all times.
5. Allow 25 feet between entries.
6. If a preceding entry should stall, **DO NOT STOP**. Pull around that entry and close any gaps per Guideline 5 above.
7. Please **DO NOT** throw candy or other hand-outs from the floats or vehicles. Distribute them at the curb in order to prevent the possibility some youngster running into the street to "gather" the goodies, and getting injured.
8. Decorate vehicles in a manner that substantially alters the following Characteristics:
 - a. Shape
 - b. Color
9. Exceptions to Guideline 8 include:
 - c. Towed decorated trailers
 - d. Qualified classic or antique automobiles
 - e. Special interest vehicles such as fire trucks, military vehicles or group support vehicles.
10. Entry height is limited to twelve (12) feet.

Parade category winners will receive their awards at a later date.

Thank you for your cooperation
